

**NY Connects!** NY Connects assists individuals with linkage to long term services and supports in their community. NY Connects can work with anyone who needs information on long term services and supports.

Do you, a family member, or friend need information or support linking to:

- \*Personal Care Services
- \*Education and counseling services
- \*Behavioral health/developmental supports and services
- \*Health and wellness services

Let NY Connects be your link to long term supports and services!

- \*Find care and support
- \*Remain independent
- \*Understand care options
- \*Find transportation
- \*Find supported employment programs
- \*Get answers about benefits and entitlements
- \*Apply for Medicaid and other benefits
