

What is the Americans With Disabilities Act?

The Americans with Disabilities Act (ADA) of 1990 protects the civil rights of individuals with disabilities.

The ADA enables people with disabilities to participate more fully in their communities, compete more effectively for jobs, travel more easily in their home towns and across the nation, and gain more complete access to the goods and services that most Americans take for granted.

REVISED 06/2023

ADA CONSULTATION AND ENVIRONMENTAL MODIFICATION

The Americans With Disabilities Act of 1990

Our services are directed to individuals, employers, local municipalities, commercial property owners, retailers and other businesses, schools, medical facilities and provider agencies needing information and assistance with ADA compliance.

We assist in the development of Self-Evaluation and Transition Plans for City, Town and Village municipalities mandated to comply with the ADA.

Telephone referrals are accepted from individuals with disabilities, senior citizens, family members, significant others, service coordinators and other professionals.
