Join Independent Living in Celebrating the Biggest Day on the Disability Inclusion Calendar

#PurpleLightUp & #PositivelyPurple is a global movement celebrating the economic contribution of 386 million employees with disabilities around the world.

Purplespace leads this movement in respect to the United Nations International Day of Persons with Disabilities held annually on December 3rd.

Purple is emblematic of disability inclusion. It provides the opportunity for employers, employees with disabilities and allies to come together to jointly celebrate 'purple talent.'

#PositivelyPurple is also a great time to give back.

Please consider donating to Independent Living's End-of-Year Campaign, "The Future is Accessible."
